

Junior IT Project Manager (m/w/d)

Fulltime | Raaba-Grambach, Austria

We, KNAPP IT Solutions GmbH, are experts in the implementation of software solutions in the logistics and automation sector and are looking for graduates in the field of business informatics for the position of IT Project Manager.

#yourmission

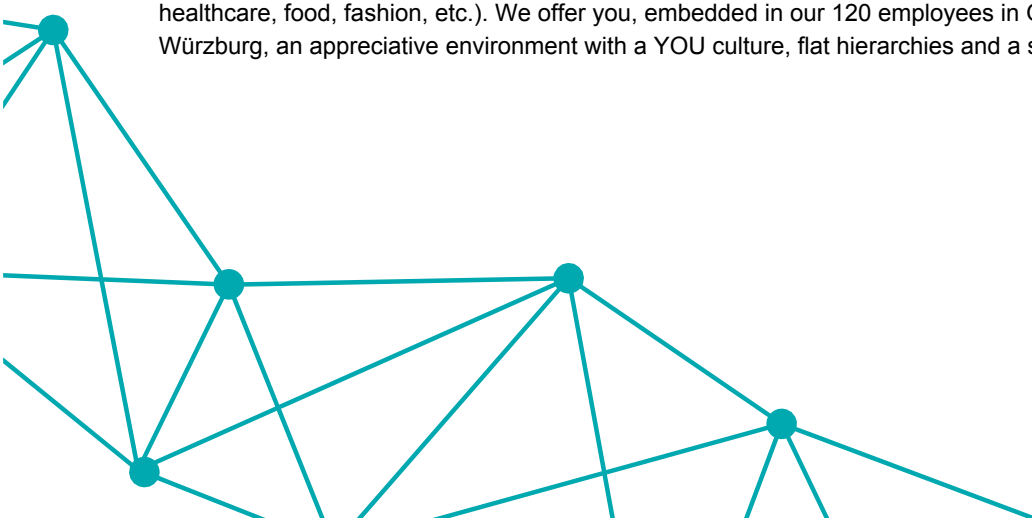

- You take on project management tasks in a project team of about 10 people implementing SAP software in automated warehouses worldwide.
- You are the interface between your project team and your customer as well as between the IT and business departments.
- You coordinate and control all project activities independently.
- Through appropriate monitoring, active project management, resource planning and risk management, you ensure that the projects run successfully (on time, on budget and in quality).
- Of course, we will not leave you alone with this task: In the first year you will get a structured onboarding and a mentor who will support you and help you to find your way in your team.

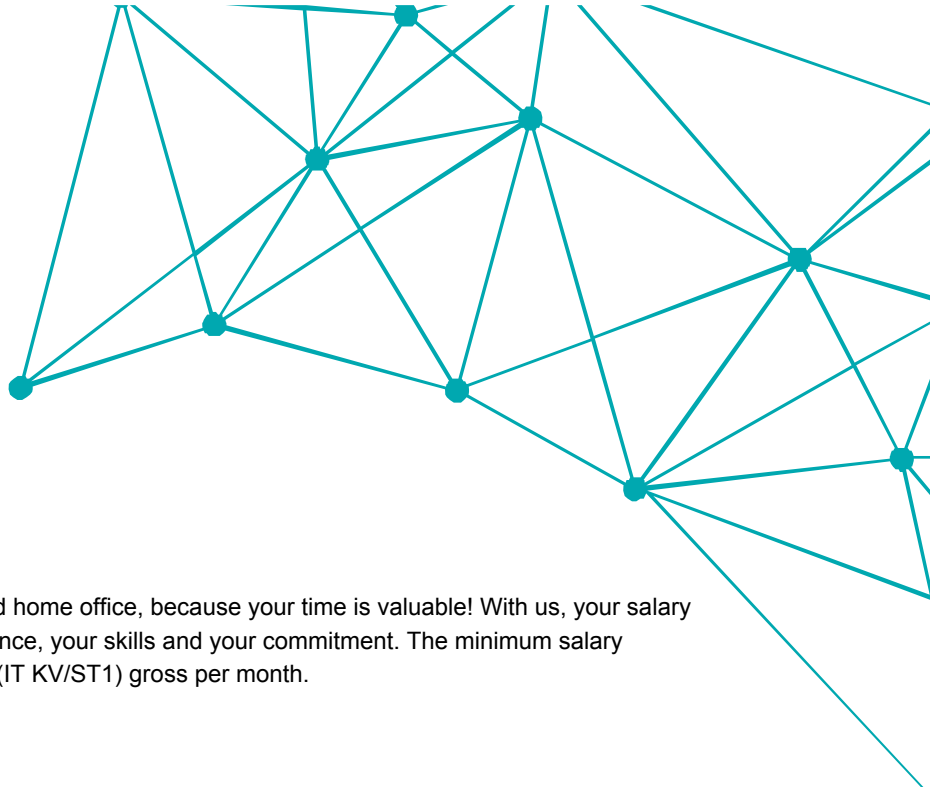

#youareknapp

- You have completed a technical and/ or business education (university/technical college).
- In addition to your passion for IT and you like to juggle numbers and tables.
- You approach people openly, are not afraid to address conflicts and actively look for solutions instead of finding culprits.
- You are not afraid to talk to us and our international customers in German and English.
- You like to travel and therefore have a willingness to travel of about 25% of your working time.
