

Project Manager I

Fulltime | Kennesaw, United States

WHO WE ARE

At KNAPP (pronounced K-NAP, not Nap!), we "Make Complexity Simple" by offering intelligent solutions for digitizing and automating everything from production and distribution to the last mile and stores. We are the customer's value tech chain partner, which means partnering with the customer to create the most value within each link in their supply chain. Leveraging the latest software, AI and Robotics technology, we continue to disrupt the logistics automation industry for the world's industry leaders in grocery, healthcare, retail, e-commerce, apparel & manufacturing.

We are a global company with our US headquarters located just North of Atlanta in Kennesaw, GA. KNAPP specializes in automated solutions for both WMS (Warehouse Management Systems) and WCS (Warehouse Control Systems) for B2B (Business to Business) and B2C (Business to Consumer) customers. We are a growing company of over 7,200 employees worldwide and in over 50 countries that is privately held, with 7% of our revenue reinvested in R&D, ensuring a strong and vibrant future! Join us and see how you can help change the world! For more information, visit www.knapp.com.

WHAT YOU GET TO DO

Project Manager I is expected to manage multiple projects of low complexity and up to one project of moderate complexity concurrently with direct supervision. The responsibilities of a Project Manager I, among others, may include as follows:

· Management of 2-4 projects up to \$20 million in value or a single project up \$5 million

- Expected project margins greater than 15%
- Manage retrofits or brownfield project(s) for existing KNAPP customers
- Integration of scope from only one KNAPP subsidiary company (typically, KNAPP AG, the parent company)
- Integration of limited 3rd party equipment (under 15% of project scope)
- · Minor software development of established KNAPP products
- Projects with minimal contractual and schedule risks (e.g., KNAPP Standard Terms and Conditions, KNAPP Standard Payment Schedule, etc.)

Essential Duties and Responsibilities:

- Ensure all required communication between project stakeholders, KNAPP resources, suppliers, etc., occurs in a time frame and to the level of detail necessary for a successful completion of project
- · Steer all project-related activities and ensure they occur in a timely manner
- Produce, distribute, and file documentation as required to ensure contractual requirements are met and all
 possible risk to KNAPP is mitigated. A partial list of documentation produced by a Project Manager may
 include:
 - Meeting minutes with action items Confirmation of discussion Meeting agendas Critical path schedules Project risk register Commercial correspondence (Customer and Supplier) Cost analysis Status reports (internal and external) Open Issues lists
